

For the Chief Surveyor

Dec 16/1877

Recd 16th

Ans 16th

• Two Gabbers

It is submitted that as Mr Baclars examined the bottom of this vessel in dry dock when the metal sheathing was put on, provided a sufficient quantity of sheathing be now stripped to enable him to ascertain the condition of the planking, fastenings & caulking of the bottom and there, be found satisfactory, the remainder of the requirements of Secs 52 & 54 be complied with and the vessel favorably reported she will be submitted be worthy of the favorable consideration of the Committee to be classed as contemplated
