

11/10

Steel S. S. "farenero"

It is submitted that Mr Paasch should be requested to state whether Special Survey No 1, and the requirements of Section 47 of the Rules for Iron ships not built under survey, or requirements equal thereto, have been <sup>fully</sup> complied; he should also state whether the Anchors and chains have been tested as required by the rules; and whether the load line of 6 ft. 6 in. was marked on the vessels sides.
