7th. October, 1892.

Sir,

With reference to the case of the Steamer "HOLME WOOD"  
(ex "SCALE FORCE"), I have to acquaint you that I am to-day in  
receipt of a letter from the Society's Surveyors at Barrow in  
which it is stated that as far as the inspection of the machinery  
is concerned the survey is complete and that Mr. Ritchie's report  
has been forwarded to you.

I shall, therefore, be glad to learn how the case stands  
and to receive your report with as little delay as possible.

I am, Sir,

Your obedient servant,

Secretary.

Mr. T. J. House,

WHITEHAVEN.
