2 Enclosures.

Sir,

H. With reference to the enclosed copies of letters which passed between this Office and the Owners of the bk. "DALRYMPLE" last month, I have to acquaint you that this vessel appears to be now on her way from the West Coast of South America to Baltimore.

I shall therefore be obliged if you will kindly arrange for the Hull to be submitted to survey when the vessel is dry docked at her loading port in the United States.

I am, Sir,

Your obedient servant,

Secretary to the
