Report

Barry No. 7628

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

S.S. No 3

When due

10 or

It is submitted the Barry Surveyors be requested by wire to state whether the requirements of the Rules for the S.S.No.3 as regards the examination of the masts, spars and rigging were complied with when the vessel was under survey at their port in June 1905 per Barry report No.7628.
