REC'D 9 JUN 1910

ANSW

Sir,

In reply to your letter of yesterday's date, respecting the Middlesborough report No. 6233 (received from the Cardiff Surveyors) on a new donkey boiler intended for the steamer "SPEEDWELL", we beg to state that the Owners have informed us that the boiler in question is still in the hands of the Makers, and that it has not yet been decided when it will be fitted on board.

The Owners have promised to advise us further in the course of a few days, when we will write again and inform you as to what action has been taken in the matter. In the meantime the Middlesborough report is being retained here.

We are, Sir,

Your obedient Servants,

Pro the Surveyors,

The Secretary,  
LONDON.
