Gentlemen,

I have to acquaint you that I am informed by the Society's Surveyors at Cardiff that they have forwarded to you Middlesbrough report No. 6233 on a new donkey boiler intended for the steamer "SPEEDWELL" as the vessel appears to have recently arrived in your district. I have therefore to request that you will give the case the necessary attention and return the report in question to this Office in due course. For your information I may add that the vessel retains her class subject to the donkey boiler not being used again until repaired.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

BARRY.
