# STEAM VESSELS.

## LLOYD'S REGISTER OF BRITISH AND FOREIGN SHIPPING.

### Certificate for Vessels Navigated by Steam.

2nd Day of May, 1840.

We certify that the whole of the Boilers and Machinery of the Steam Vessel "Venezuela" belonging to Barbados whereof John Jamieson is Master, 182.0 m. 202.0 m. Tons, have been carefully inspected and examined by us at Greenock, and that we find the same to be at this time in good order and safe working condition.

Witness John Martin Engineer

Scott Sinclair & Co. Master Engineers

*The following is a true Account of the Particulars of the Machinery of the Steam Vessel above named:*
