Glasgow. }

Dear Sir,

— Ferry Steamer for Woolwich —

With regard to the Classification  
of above vessel. As the present vessels  
on the Service are classed A1 we think  
it desirable that the above vessel should  
have the same class...

We annex list  
of Outfit, for the New Steamer, which  
we understand is similar to the  
other vessels on the Service at Woolwich.

Yours very truly.

Wm Simons & Co

GLS237-0070
