23rd September, 1896.

Gentlemen,

With reference to your Report No. 14671 on the steamer "SCOTSMAN", I have to request that you will be good enough to furnish me with particulars of the nature and extent of the damage together with a sketch showing the same.

You should also forward extracts from the ship's log referring to the damage, and at the same time state whether the fore peak tank was full when the damage was sustained.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,

GLASGOW.
