

Chief Surveyor 22 SEP. 1896

Received from Chief Surveyor

EL'S NAME *See. S. S. Scotsman* Report *See.* No. *14671*

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Signature of Surveyor

See above

It is submitted that before this case receives the consideration of the Committee, the Surveyors should be requested to furnish particulars of the nature and extent of the damage, and a sketch showing the same. They should also forward extracts from the ship's log book referring to the damage, and should state whether the fore peak tank was full when the damage was sustained.

Let to Cls. 23. 9. 96.
