The Secretary
London.

Sir,

Your letter to Cardiff, re the
S.S. "Langbank" has been forwarded
to us, & in reply thereto, I beg to state
that upon receipt of the letter from the
Glasgow Surveyors (which reached this Office
yesterday afternoon,) I called on board
and found the vessel loaded, with steam
up and hauling down the dock to the basin.

The drain cock has not yet been fitted
in place, but is on board, and the Chief
Engineer states that he will fit it on
arrival at Colombo.

I am, Sir,

Your obedient servant
