Sir

In reply to your letter  
of the 13<sup>th</sup> instant relative to the  
enquiry made by Mr. E. H. Wilson,  
as to whether the Surgeons report not to  
have noticed the defects in the S.S. "Rosario"  
I beg to express regret that any defects were  
found, as the Iron Main deck was tested by  
water, and every precaution taken as far  
as practicable to ensure the workmanship  
being completed in a satisfactory manner.

I am, Sir

Your obedient servant
