

Lloyd's Register
and Shipping Directory

London

5th May, 1887.

Dear Sir,

Steel 1887

you at Millwall
your 27th

provided the tracings submitted,
as amended, and the Society's
Rules as far as practicable,
including the Circulars on Steel,
be complied with, and the vessel
be built under special survey
and completed to the entire
satisfaction of the Society's
local surveyors, they will be
eligible to be classed **A1**.

Steel, For Breach & Ferry purposes

The tracings and specification,
together with 2 formal requests for
survey, are enclosed, and I shall
be glad to have same returned
at your convenience. I shall be
glad if you will send here for the
Roll of drawings left by you.

S. Shelton Esq, R.A.,
Longdon House,
Millwall.

Yours very truly

Secretary
