 ANSP.

Dear Sir,

I received your letter of the 16th ult., on the 9th inst., and had it shown, at once, to Mr. Geo. R. Douglas Agent of the Mex. Occid. L. S. T. Co., who took no notice of it, till to day, when he wrote me a letter, of which I send you a copy enclosed with one of my answers, also. The "Altata" sailed from here, on the 2nd inst., for Altata and Agiabampo, and continued on to Guaymas, from last named port, carrying up our State Governor, and must have arrived, at Guaymas, on 7/8th inst. —

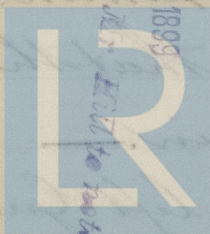

To day, I received the aforesaid letter from Agent Douglas, and presume that the "Altata" has already been in dock and had the plates fitted on, when it is useless to send an Inspector up, as the steamer's hull cannot be examined afloat, but I have informed him that there is a man competent to examine the work ready to go up, still am sure that the work has been done & the str. afloat again. —

20th The Altata left Guaymas on

Yours faithfully
 E. Wolrich agent.

her way down again & will be here to morrow,
perhaps, so it is a complete farce, & I must be
crazy or he would not in such a manner,
Two German houses have orders not to ship
in "Ultata" and "Porfirio Diaz"
