Dear Sir:-

RECEIVED 9 MAY 1898

"ALTA TA" ANSB

9/5/98

My Manager in Mazatlan cables ~~me~~ asking me to send him some keel plates for this boat, which I ^{find} ~~cannot~~ myself unable to do as the firm which built the boat has long since gone out of existence and it seems impossible to find out who is the present possessor of the drawings.

I shall be extremely obliged if you will let me know whether you have in your possession any drawings or information which will enable me to attend to this matter and in such case if you would allow me to send a clerk to your Office to take notes or make a rough tracing from the Papers in your possession, otherwise the delay may be considerable as I shall be compelled to wait for drawings to be sent from Mexico.

Yours faithfully

John Bonhurd
