CORNHILL.

Dear Sir:-

replying to your favour of yesterday I beg to say that immediately after receiving your letter of the 9th., I sent an engineer round to your office and was enabled from the information which he obtained to order the keel plates for the Steamer "ALTATA". They are being shipped from Liverpool on the 23rd inst, and will be put in position as soon as possible after arrival. I will instruct my manager to let me know when everything has been completed and will advise you receipt of this information.

yours faithfully

W. John Donghurst
