6th December, 1898.

Dear Sir,

Reverting to the correspondence between us in May last, respecting the case of your Company's tug "ALTATA", I beg to acquaint you that from a communication which has recently been received from Lloyd's Agent at Mazatlan it would appear that no steps have yet been taken to fit the new keel plates as recommended, and in view of the matter having now been standing over for some time I shall be glad if you will kindly give the necessary instructions for the new keel plates to be fitted under the inspection and to the satisfaction of a Surveyor appointed by Lloyd's Agent at Mazatlan.

I am, Dear Sir,

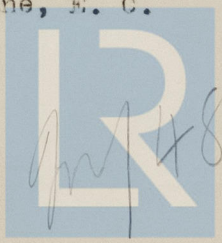

Yours faithfully,

Secretary,

The Secretary,
