2 White Lion Court. Cornhill.

Dear Sir:-

I am obliged for your favor of 17th inst in reference to the survey of the Steamer "Altata", and I note that the reports of the survey held at Mazatlan are not sufficient for your purpose. I am therefore writing out again to my Manager directing him to see Mr Woolrich again with a view to his appointing a Surveyor to hold the necessary surveys on the hull and machinery after the Steamer has been placed on the Slipway at Guaymas.

I presume that you are sending to Mr Woolrich the necessary instructions in order that the Surveys may be made according to your rules.

Yours faithfully

A. G. Dryhurst

Secy.
