Dear Sir:-

Referring to my letter of 6th inst., I beg to advise you that after cabling to my Manager further in regard to the survey of the "Altata", I received a reply to the effect that Mr Lund, Lloyd's Agent at Guaymas has resigned his position.

The Manager asks therefore what he shall do, and who is authorized to appoint a Surveyor.

I much regret that this further difficulty has arisen, and shall be much obliged if you can make any further suggestions in the matter as I am most anxious to have the survey made at an early date.

Yours faithfully

A. G. Dryhurst
