Dear Sir,

I am in receipt of your letter of 6th inst in reference to the overdue surveys on the steamer "Altata" and "Mazatlan" I wrote to Mr Douglas, the Manager in Mexico, in January last in reference to the surveys and I have since heard from him to the effect that the "Mazatlan" has been on the slip at Guaymas and has been thoroughly overhauled. I conclude therefore that this was done in the presence of your surveyor, although I have no advice to that effect. At the present time I believe the slip is occupied by the steamer "Guaymas" which is having new boilers fitted.

I understand from Mr Douglas that you have written to him asking for particulars of the steamers owned by this Company. I beg therefore to say that they are as follows :-

- ✓ 1. "Altata"
- ✓ 2. "Mazatlan"
3. "Porfirio Diaz"
- ✓ 4. "Guaymas" (ex "Diego", ex "Manuel Dublan")
