dition.

LOYDS REGISTER
LONDON.

REC: 10 MAY 1905

ANSE 11/5/05

The Secretary

Lloyds Register of British & Foreign Shipping

London E.C.

Dear Sir,

The s/s "Blonde", number 10 of your present
register, has according to your register been built
under special survey. It appears, that she has not ever
had a class in your register as otherwise the with-
drawal sign would been put against her.

For special purposes, possibly re-classing, it
would be very agreeable to me, if you could put at
my disposal the originals or copies of the ship's *building survey paper*. I
shall be very glad to pay you any expenses connected
with this matter.

I am, dear Sir,

Yours truly
