The Surveyors.

Leith.

Gentlemen.

I beg to inform you that the screw
steamer "Sunbeth" Messrs Craig Saylor & Co 7022.
left this port yesterday for Leith where she is to have
her machinery fitted on board & be completed for sea;
& that the following remains to be done to complete the
Special Survey: viz:-

The bunkers to build & complete; the deck plating
casing, coamings, skylights &c around & at openings to
fit & complete; the deck & tunnel to test; & the
hawser & warp to examine to complete equipment.

The 1st entry report is enclosed herewith;
which please endorse & return to this office when
the Survey is completed.

Yours faithfully,
Sam. G. Henderson. © 2018
