The Secretary,
Sir,

In answer to the telegram referring to my First Entry Report on the S.S. "Johannesburg" I have respectfully to inform you that the questions should have been answered thus - "Are they each fitted with a discharge valve always accessible on the plating of the vessel" Yes. "Are the blow off cocks fitted with a spigot and brass covering plate" Yes. I very much regret that I omitted, through an oversight, to answer these questions before the Report was forwarded.

I am, Sir,
Your obedient servant
H. Stoddart
