1st May 1895

Dear Sirs,

Having submitted for the consideration of the Committee the plans of your s.s. No. 168, I have to inform you that to entitle this vessel to the 100A1 class, the scantlings and arrangements must be as previously required, but if a limited class A "For Towing purposes" would meet the Owners' requirements, the scantlings etc. as originally proposed would be considered satisfactory.

I am, Dear Sirs,

Yours faithfully,

Messrs J.P. Renoldson & Sons,

South Shields.
