Dear Sirs,

I am in receipt of your letter of the 26th instant respecting the steamer "AFON-TOWY", and in reply have to say that in accordance with a request which was made by the Society's Surveyors at Sunderland, the First Entry certificate on the machinery was forwarded to the Society's Office at that port on the 3rd instant, and has doubtless been handed to Messrs. MacCall & Pollock, Ltd.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

SOUTHAMPTON.
