6th February, 1920.

Dear Sirs,

M.

I have to inform you that the S.S. "AFON-TOWY", Messrs. Dibles Ltd's No. 112, is to be fitted with her machinery at your port, and in order to complete the survey for classification the decks, dwt pump, steering gear and windlass require to be tested, the after peak tank to be tested in way of stern tube and the freeboard to be verified.

I shall therefore be glad if you will be good enough to give the case the necessary attention and on completion of the work to your satisfaction, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

SUNDERLAND.

Secretary.
