"Winding Gulf"

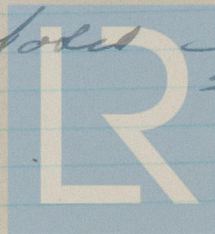

RD REPORT on the

Extract from Baltimore Apr 8 No. 7752
dated Apr 14/9/42.

An ammunition hatch was cut in the
main deck adjacent to poop bulkhead at this
time of dimension 30" x 30" having an
efficient steel coaming of a height of
10 feet above the main deck.

The vessel fitted with defence measures
at this time the decks in way being suitably
strengthened.
