ENCLOSURES.  
-----

13th April, 1921.

Dear Mr. Lavers,

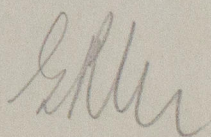

I am in receipt of your letter of the 11 th instant returning our freeboard copies of the S.S. "GARGOYLE" of New York and S.S. "VACUUM" of New York.

I regret to find that the copies were sent to you incomplete without the sketches showing the extent of the bridge.

I have had this omission made good, to show the allowed length of the bridge in the computation, and return the reports herewith.

With kind regards,

Yours faithfully,

A. E. Lavers, Esq.,

Board of Trade,

54, Victoria Street, S.W. 1.
