Dear Sirs,

No. 1354.

/.

With reference to plan showing Stiffening in Bottom Forward, which we sent you on 19th September, we now send you herewith print, in triplicate, showing an alternative arrangement of intercostals forward, in view of the great depth of the Double Bottom in this region. No doubt you will let us have your approval or comments on this when approving the Plan of Stiffening in Bottom Forward.

Yours faithfully,  
For HARLAND AND WOLFF, LIMITED,
