VESSEL'S NAME *Ediba* Motor Vessel *Ediba* Report *Glo.*

Dear Mr. Warlow, *the SWISS SHIP SURVEYOR and CHIEF ENGINEER*

With reference to Glasgow report No. 42668 on the motor vessel "EDIBA", built for Messrs. Elder, Dempster & Co., Ltd., my attention has been drawn to the fact that the final revised portion of the Register Book in which record of this vessel occurs is actually due for press.

It would ~~therefore~~ be advantageous if we could get the class in the new book, and so I am retaining the revise and shall be very much obliged if you will kindly see what you can do to get the fees paid, and let me have a wire when the matter is in order.

With kindest regards,

Yours faithfully,

P. L. Warlow, Esq.,

GLASGOW.
