Dear Sirs,

E.

I duly received Mr. Wray's letter of the 17th instant regarding the plan of scuppers and soil pipes recently approved for Messrs. Soc.Anon.John Cockerill's Yard No. 675, and enclosing one (with translation) from the firm of Hillen, Amsterdam, who are supplying the Hillen valves to be fitted in this installation and have to acquaint you that the contents have been noted.

In reply I have to state that in this case the valves referred to will be accepted on the satisfactory drop and hammer tests carried out by you.

In future cases, these valves should be made at an approved Works and subjected to the tests required by the Rules.

I am, Dear Sirs,

Yours faithfully,

Secretary.
