16th July, 1938.

Dear Sirs,

M. I return, under separate cover, two copies of the plan, forwarded with Mr. Wray's letter of the 11th instant, of drain well proposed for Messrs. John Cockerill's Yard No. 675, and with regard thereto I have to state that the scantlings and arrangements as shewn will be approved, provided they be carried out to your satisfaction. The drain wells in way of the openings referred to, in the tank top are of substantial construction and it is considered will provide the necessary compensation.

The remaining copy of the plan is being retained for reference, together with the partial plan of tank top.

I am, Dear Sirs,

Yours faithfully,

Secretary.
