4 ENCLOSURES.

27th January, 1925.

Dear Sirs,

I have to acknowledge the receipt of Mr. Lawrance's letter of the 24th instant respecting the case of the twin screw steamer "COLOMBO" ex "SAN GENNARO", and I note that the Owners may possibly decide to re-class the vessel with this Society.

In the circumstances, I send herewith, as requested, sketches of midship section, stern frame and brackets, copy of approved stern frame plan, and amended plan of single plate rudder, in order that you may exhibit these to the Owners and furnish them with any information they desire.

At the same time, however, I have to remind you that you should not allow these plans out of your possession, and if copies of the plans are desired by the Owners they must be returned to this Office, when photostats will be made and furnished, for which the charge would be approximately £8-8-0.

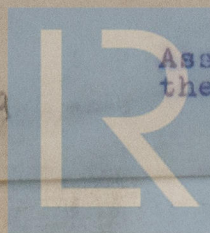

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GENOA.
