

MEMORANDUM

LOYD'S REGISTER OF SHIPPING, HIGH CLOSE, WOKINGHAM.

(Ref. H.)

Surveyor(s) at MILFORD HAVEN.

Date: 2nd August, 1945.

Re: S.S. "ILFRACOMBE".

With reference to your report No. 6162, I shall be glad to
arrange what arrangements the Owners propose making for the renewal
of the thrust shaft and main air and circulating pump casting.

L.R.
X.R.

Date: 7th. August, 1945.

I have been informed by the repair people at this port
that the thrust shaft forging made at MaKie & Baxter, Paisley
was found defective and condemned by Lloyds Surveyor at Paisley.
A new forging has been put in hand and this will be fitted
on its arrival together with new main air and circulating pump
casting.
