16th June, 1930.

Dear Sirs,

M. I have to inform you that the Steel Screw Steamer "PENDOPO", Messrs. Giessen & Zonen's Yard No. 609, has proceeded to your port with a view to the installation of the machinery.

To complete the Survey on the hull the following remains to be done:- Casing top of boiler casing, engine skylight and cross beam to be riveted.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-on-TYNE.
