LONDON.

Dear Sir,

s.s. "MARTIN CARL".

With reference to the temporary repairs to this vessel's port boiler now being carried out in Karachi, we now beg to submit for approval the enclosed plan, in duplicate, showing the proposed permanent repairs.

This plan will be subsequently submitted to the Owners, and the repairs will be carried out at the Sunderland Works of The North Eastern Marine Engineering Co. (1938) Ltd.

Yours faithfully,
THE SURVEYORS,
