A.S.

19th January, 1925.

Dear Sirs,

D.

I am favoured with your letter of the 16th instant, regarding the date of build of your Nos.256/257 vessels; and with reference thereto I have to state that you appear to be under a misapprehension in the matter.

I have before me as I write transcripts of the official registers of these two vessels, the "BUCKLEIGH" and "CHUMLEIGH" and in each case the year "When Built" is given as 1924.

I am, Dear Sirs,

Yours faithfully,

Secretary.
