Reference

My Dear Ives,

With reference to the plans of oil fuel bunkers of the "TIRPITZ" which you have been investigating, I find on my return from holiday that the vessel has left for Germany where, presumably, the work is to be carried out.

In the circumstances it is of course unnecessary to proceed further with the matter and I regret that you have been put to so much trouble without any good result.

Will you please have the plans returned.

With kind regards,

Yours faithfully,

B. J. Ives
