LONDON

Dear Sir,

Steamer "EMPRESS OF AUSTRALIA".

With reference to our Report No. ⁸⁰⁸³² 80382 being forwarded to-day upon the H.P. and I.P. turbines intended for this vessel, it is respectfully suggested that upon the conclusion of the fitting of the machinery at Glasgow, one fifth of the total survey fee should be credited to this Office, and we should be glad to receive your instructions in due course.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,

per

J.R. Davis

The Secretary,

London.
