Dear Sirs, s.s. "BANDRA"

Classn.

The remarks contained in your letter of the 26th instant have received careful consideration by the Committee at their meeting today, but in reply I regret to inform you that they feel they must adhere to their previous decision.

If the vessel is to retain her class, therefore, the Special Survey in all respects must be completed now at Hong Kong, and the Committee are unable to authorise the Surveyors there to issue a certificate as an unclassified ship.

Yours faithfully,
