Dear Sirs,

m.v. "PETO"
Schw. Worst & Dutmer Yard No. 101.
(B. C. Classification)

I am in receipt of your letter of the 31st March and plans advised therein, respecting the above-mentioned vessel and have now to advise you that the amended plan of Pumping Arrangement in Engine Room, two copies of which are returned herewith, will be approved, provided the arrangements be as shown thereon and the remaining requirements of the Rules for Pumping and Piping be complied with so far as they are applicable.

Your communication of the 30th May is also acknowledged.

Yours faithfully,

P. ✓
The Surveyors,
HAREN (GR)
