Re: Schw.Worst & Dutmer, Meppel, Yardno.101. B.C.Class.

Dear Sir,

I beg to forward for consideration, under separate cover a plan in quadruplicate of Profile, Decks and Bulkheads for the above Yardnumber.

I may draw your attention to the fact that at the Owner's request the intermediate frames in the forebody have been altered as shown on this plan.

The proposed dimensions of intermediate frames on plans of Midship Section and Shellexpansion are not correct.

Yours faithfully,

MED-M

The Secretary,
LONDON.
