Enclosure.

25th November, 1926.

Dear Sir,

S.

With reference to New York report No.26826 on the steamer "EAXAMBU", you will observe from the enclosed copy of a letter addressed to the Owners that in view of the fact that the necessary repairs have not been carried out at Rio de Janeiro as previously agreed to, there has been no option but to expunge the class of the vessel from the Register Book with a black line.

It is understood from a cable received from the Society's Surveyors at Rio de Janeiro that on the vessel's arrival at New York the remaining requirements of the Special Survey No.2 and all repairs will be carried out, and I shall be glad for the case to receive the necessary attention in due course.

I am, Dear Sir,

Yours faithfully,

James French, Esq.,

NEW YORK.
