Dear Sir,

Referring to your letter of the 5th September last respecting the s.s. "THORSDAL" we have to inform you that we have now after several communications received the following reply from the builders:-

"We have received your letter of the 4th instant regarding the longitudinal dimension of the vessel.

We have noted your requirements for vessels eventually to be built from the same plans, in such a way that the mistake shall not be repeated".

I am, Dear Sir,

Yours faithfully,
