The secretary,

Lloyd's register of shipping,
London.

In connection with the first entry report on the P. Ph. Stuhrs
Maskin- & Skibsbyggeri's Newbuilding No. 19, Aalborg, S. S.

"Thorsdal", we have to point out that the builders through inex-
perience made the vessels loadwater length equal to the rule length

The vessels length in the maindeck is therefor -including 4"
rake of the stembar- equal to 281' - 9" instead of 281' - 5".

As this increase influences the longitudinal plating num-
ber, we ask the committee to approve of the vessel in this in-
stance..

We are dear sir, Yours faithfully
