Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

28th November, 1929.

Dear Sir,

S.

With reference to the classification in this Society's Register Book of your Steamer "OLE WEGGER", I beg to acquaint you that the Committee have to-day had before them a communication from the Society's Surveyors at Oslo, from which it appears that it is not your intention to maintain the class of this vessel with this Society, and I have to say that, in the circumstances, instructions have been given for her character to be withdrawn from the Register Book, and three dots (...) inserted in lieu, indicating withdrawal of class at Owner's request.

I have to add that in view of the withdrawal of this vessel's class, the record of the freeboard assigned by the Committee, together with the corresponding draught, will also be withdrawn, and the freeboard certificate is thereby cancelled and should be returned to this Office.

I am, Dear Sir,
Yours faithfully,

Soren L. Christensen, Esq.,

SANDEFJORD, Norway.

Clerk to the
Classification Committee.
