Dear Sir,

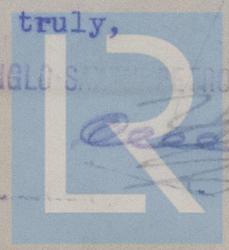

M.V. "ENIDA".

With reference to our letter of the 6th inst., regarding this vessel retaining her class until the expiry of the year of grace, we have now received a cable from the Master to the effect that your Surveyor has recommended continuation of class until August provided 8 plates on the main deck are renewed. This we estimate will cost a considerable sum and as we are unable to spare the vessel for this work to be carried out we have finally decided to withdraw her from class, and we would ask you to arrange accordingly.

Thanking you for the ready assistance you have given us in this matter.

Yours truly,

THE ANGLO-SAXON PETROLEUM COMPANY
