Received by Chief Ship Surveyor .....

Received from Chief Ship Surveyor .....

VESSEL'S NAME Wood. M.V. "ROCHESTER CASTLE". Rpt. Low Ant. No. <sup>89050</sup> 13705

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/6/02.)

Nature of Survey .....

It is submitted before this case receives the consideration of the Committee, the Surveyors should be requested to obtain the approved plans and to state the spacing of the floors, the size of the through beams and also to state whether the length of the KEEL scarp is correctly stated on their report.
