Messrs. Lloyd's Register of Shipping,  
71 Fenchurch Street,  
LONDON, E. C. 3.

Dear Sirs,

With further reference to our letter dated 10th March and your letter of 24th April, relative to the Wood Motor-ship "DUVALLA", we beg to inform you that the owners Messrs. United States Trading Co., approached us on 31st ultimo to appoint a Surveyor to conduct the Survey required. The Manager of the U.S.T.Co., stated in answer to our query relative to your letter last referred to, that they had received a radio asking them to get the Survey done. In these circumstances, we duly appointed Captain Richard Graner to proceed to Marshall and Survey the vessel as requested.

On his return he stated he was unable to fill in your Official Forms since they only dealt with repairs necessitated by accident. We enclose herewith original of the Certificate given by him and have handed the duplicate to Messrs. U. S. T. Co.,

Trusting that this matter is now in order,

We are, Yours faithfully,

for THE CAVALLA RIVER COMPANY LIMITED.
